STUDENT LIFE

Freshmen Introduced to Life on the Hill

More than four hundred strong, the newly arriving Freshmen entered a different and exciting phase of their lives, life on the Hill. Sparking the Frosh spirit was the traditional Howdy Week, held September 11-15. Activities, all sponsored by the Student Council, kicked off with a skit program Monday, continuing with roller skating Tuesday, Young Life on Wednesday, and a dance on the patio on Thursday. Howdy Week then climaxed Friday with the pep rally and football game against Haltom.

Incoming Freshmen Arrive for First Day at Heights

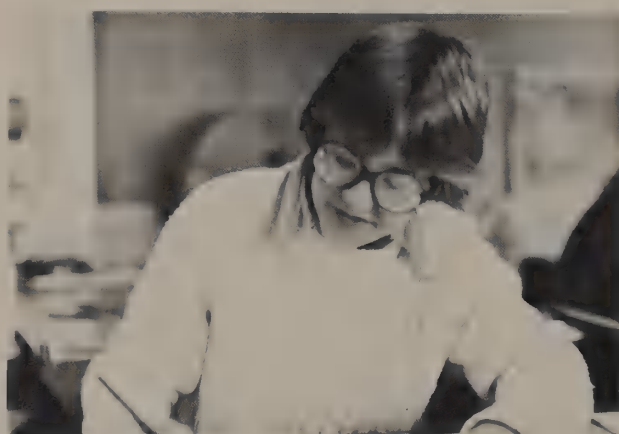

August 29th started the 1978-79 school year as seniors arrived for their last fall registration. The next day, August 30th, the undergraduates signed up for classes in the cafeteria. This first day at school included the orientation for freshmen in the auditorium. This involved explanations of rules, procedures, and activities of Heights. The cheerleaders greeted the frosh with a "howdy" cheer, and National Honor Society and Spirit of the Hill members assisted the freshmen with their registration.

Many new faces appeared on campus this year as eighteen new teachers started their first year on the Hill. One of the newcomers was Mr. Leon Ray filling the job of vice-principal. Other new teachers were welcomed to R.O.T.C., homemaking, science, English, and transitional departments. Heights also gained a new librarian and two new counselors.

Spirit Boosts Gridders to State Playoffs

*you're
so
cute*

Towering spirit and enthusiasm bolstered the Mighty Jacket football team to a perfect 10-0 record in district play. Spirit groups, energetic class members and faculty, and overall school pride also helped to support the team to a victory in bi-district. Again the SOH Spirit Cup was awarded at the pep rally each week to the class with the most spirit.

Summing it all up, Gary Williams' jersey exemplifies, "We're number one!"

Homecoming Dance Brings Disco to Hill

Homecoming was definitely one of the highlights of the football season. Hall decorations defined the spirit and enthusiasm of the week. The Juniors came out on top of the other classes with their artistic endeavors. The big game was a giveaway as the mighty Jackets bulldozed their way to a 26-6 win over the Paschal Panthers. Halftime was filled with excitement as the club sweethearts, accompanied by their escorts, proceeded onto the field. Homecoming Queen, Laurie Maxwell, was presented with her court, Rhonda Goins, Princess, and Anne Sherrod, Duchess. Homecoming week ended with a dance held at Roundup Inn.

John Bail and Mark Swinnea shock their dates by revealing that they don't like the music and don't know how to dance.

More of the court model their duds while leaving the field anxious for the start of the second half of the game.

Clones Invade Hill on Impressions Day

Utilizing their sales theme of "Clones", Impressions staffers dressed up as pairs of famous characters to sell the literary magazine. Sales kicked off November 1st as pairs of clones visited classes during second period. Magazine sales continued periodically over the year.

The staff, under the supervision of Mrs. Martha Melton, chose prose, poetry, photography, and artwork from work submitted by the student body to be included in the magazine.

The ninth Impressions magazine was presented to the students in a spring program.

Angela Estes, Emily Gillis, and Chrissy Cope, alias The Three Mouseketeers, prepare to pounce on another piece of cheese.

Wild and crazy Elise Walker practices her Impressions sales pitch.

Sarah Paget and Pat Price announce the opening of the Impressions toga party.

Students, Teachers Take Aim at Turkeys

Hoping to win their families a free turkey, students and faculty members competed in the annual J.R.O.T.C. Turkey Shoot, held November 20, 21, and 22. The contestants received three shots for a quarter, with the shooting taking place in the armory. After the final point tally, a turkey was awarded to the top male and female teacher and student with the highest score.

Many Heightsters participated in the turkey shoot, which not only helped raise money for R.O.T.C., but proved that there still exists some spirit for Thanksgiving.

Some turkey shoot participants observe that after three shots, they all have exactly the same point total.

Mr. Glen Glass, R.O.T.C. sponsor, closely examines his target, as Coach Robert Dixon, golf instructor, checks his score.

Bill Brennan prepares to take the dummy's place as the target.

Heights Is the Word on First Grease Day

In honor and support of the last district football game, the Student Council sponsored the first "Grease Day". Besides wearing clothes from the 50's era, many hopelessly devoted Heightsters dressed up as their favorite "Grease" character. As a bonus, a free concert ticket was awarded at the pep rally to the best dressed girl and guy.

Some Freshman cheerleaders prepare to fly "Greased Lightning" style.

Choir Adds Special Benefit to Hill

After hours of long work the A Capella choir produced the year's first choir program. Director Mrs. Donna Norton choreographed the show which followed the style of a show choir. The pop music style show included Jump Shout Boogie, The Things We Do for Love, and Evergreen. Randy Slovachek sang the solo, Almost Like A Song. David Copeland played accompaniment for the choir on the piano.

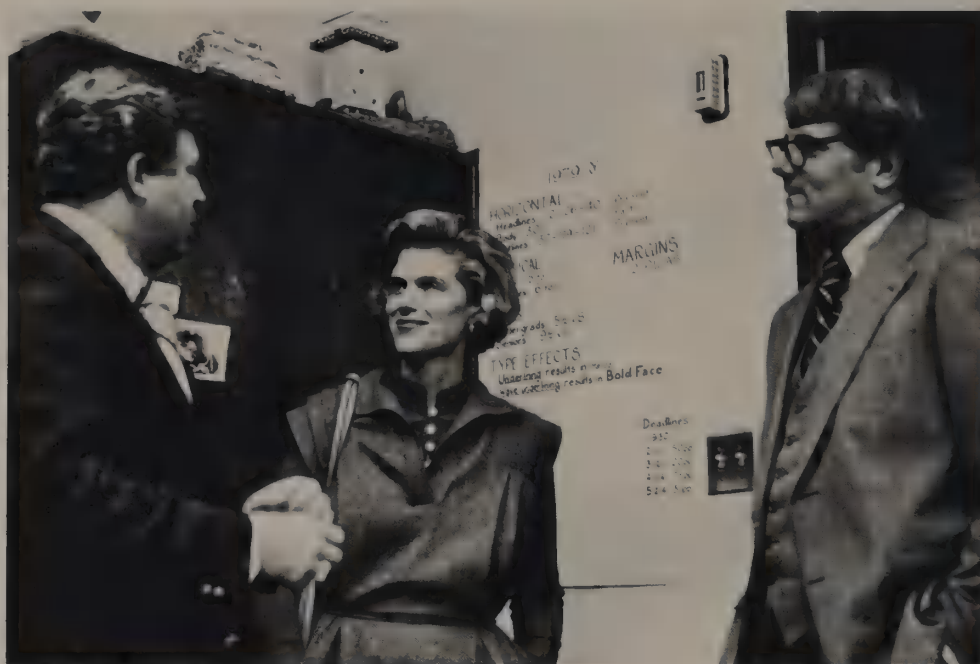

Clyde Kennedy and Ellen Fiek join the choir in a chorus of Poor Paschal.

Kathy Basham prepares to throw a kiss to her fan club.

Heights Welcomes Parents at Open House

Teachers got the opportunity to meet the parents of their students at the Heights Open House, November 7th. Not only did parents have a chance to discuss their child's progress with their teachers, but were also treated to exhibitions by the basketball team, the Jacket Journal Staff, and advanced chemistry and art students. SOH and ROTC members assisted parents in finding classes. Also, the PTC held a bake sale in the cafeteria to raise money.

Mrs. Grace Palmer discusses her daughter's art projects with Mrs. Mary Parham.

Students Show Teachers Their Appreciation

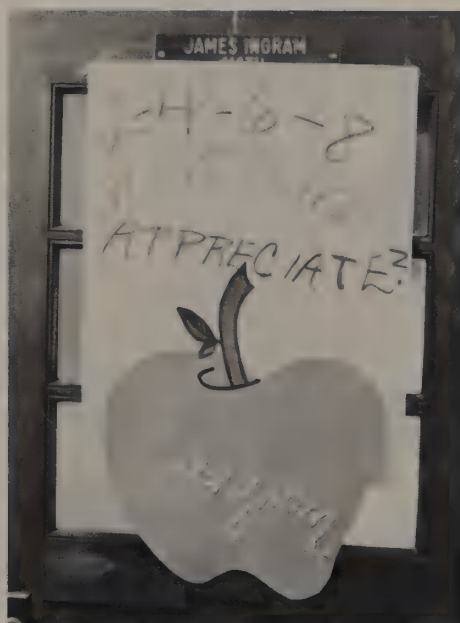

Mrs. Porter's door exemplifies how her homeroom feels about her.

Teacher appreciation day was sponsored on the Hill by the Student Council. Each homeroom decorated their door and also presented their teacher with an apple. The Student Council provided the apples for those teachers without homerooms. Refreshments also were served for the teachers in the library. Some teachers were surprised with flowers, gifts, and cakes by their homeroom. Some even received a party in their honor.

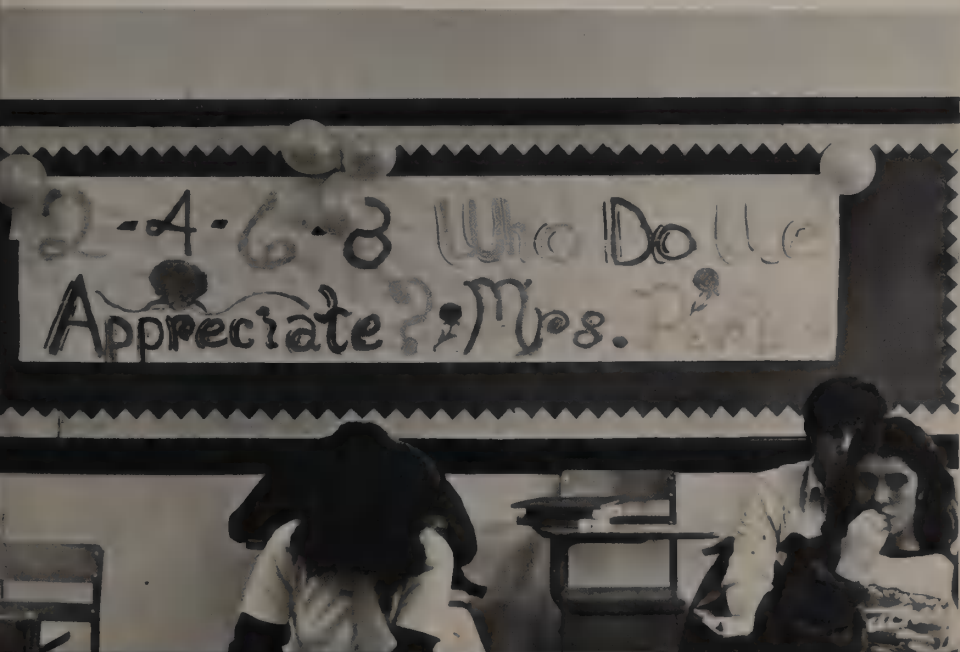

Rob Ross thanks Miss Alice Shorkey by presenting her with an apple.

Mr. Ingram's homeroom shows their appreciation for his dedicated service.

Signs of gratitude decorate Mrs. Maggie Porter's bulletin board.

Cheryl Hedrick decorates her homeroom door before school.

Heightsters Experience Ice Skating

The Arlington Heights Student Council sponsored several ice-skating parties at Will Rogers Coliseum over the course of the winter months. Skaters of all abilities from beginner to advanced enjoyed the activities. Intermission amusement included broomball games which provided fun for players as well as spectators. Broomball competition was between such groups as Annual Staff and Jacket Journal. In addition, the skating parties proved to be good fund raisers for the Student Council.

Anita Ellis tells Becky Birdwell how valuable a crash helmet is in the rink.

Some freshmen train up in preparation for their trek around the skating rink.

Brett Shelton is summoned by a rink guard.

Anxious to get skating, some freshmen hurriedly lace their skates.

William Blanchard prepares to hang glide while Anita Ellis and Melinda Bauman discuss holes in the ice.

Santa's Helpers Descend Upon Heights

Santa's elves, loaded with candy canes, telegrams, and cheer, invaded the Hill January 15th for the traditional Elf Day. The SC's Special Projects Committee acted as the elves, delivering candygrams and kisses to many unsuspecting students. And though many think Christmas is over-commercialized, Heightsters proved that the true Christmas spirit still exists.

Mrs. Vinson receives a telegram from a secret admirer.

Santa Claus, alias Gary Zimpleman, takes a breather from listening to kids' toy lists.

Stacy Hendrickson enjoys her candy cane, while deciding who she'll kiss next.

Performing Arts Group Presents "Gypsy"

Every two years the Arlington Heights drama department prepares and performs a musical. This year the production was "Gypsy". Long hours of planning, rehearsing, and perfecting paid off for the young actors and actresses.

Co-ordinating the performing arts group were Mrs. Rosemary Burton, Mrs. Beverly Fletcher, Mr. Paul Smith, and Mrs. Donna Norton, teachers of drama, art, band, and chorus respectively.

Michael Johnson picks a little tune during a musical interlude.

Cowpunchers Show Off Duds for Ranch Day

To get Heightsters in the appropriate "cowboy" mood for Fort Worth's annual stock show and rodeo, the Student Council sponsored Ranch Day, January 26. Students dressed in clothes typical of the olden days, with prizes going to the girl and guy having the most authentic costume. SC also provided entertainment for the day at a program which included music from the country and western group, the Cheyenne Mountain Band, and a Texas-style shoot-out performed by members of the "44 Wild West" gang. Leslie Davis and Lisa Locke were announced as Ranch King and Queen at the assembly.

Amy Jones, Robin Mize, and Carole Raulston clap to the beat of the "Cotton Eyed Joe".

"Just what I needed!" exclaims Jimmy Freeny as he receives another moustache.

Beard Growers Sport Nubs for Contest

Coinciding with the activities on Ranch Day was the Beard Growing Contest. Participants refrained from shaving for two weeks prior to the judging, which took place at the program assembly. Winners included Steve Mooney, "peach fuzz" beard; Jimmy Freeny, longest beard; Ken Humphreys, softest beard; and Al Winder, thickest beard.

"I escaped from the hospital for this contest and nobody wants to shave my fuzz," pouts Ken Humphreys.

Hillbilly Steve Mooney feels the contest was rigged because he didn't win first prize.

Robin Mize tries not to "get" Al Winder while shaving his winning beard.

Valentine's Day Brings Love to Hill

Cupid's arrows were zinging through the halls on Valentine's Day as love-lorn Heightsters sought to capture the hearts of unsuspecting students and teachers. These paths of love were aided by the Student Council's Special Projects Committee who delivered telegrams, carnations, and kisses. Highlighting the day was the announcement of Mr. and Miss Irresistible, Johnny Hutchinson and Melinda Baumann, who acquired the most hearts during the week.

Spirit Fires Heights Team Into Action

This year basketball season offered students a break from the winter monotony. Enthusiasm and powerful spirit helped the round-ballers make a strong showing in all of their games, even when faced with tough competition. Basketball games not only provided a respite from schoolwork, but also gave Heights students an opportunity to cheer on another fired-up Yellow Jacket team throughout their three and a half months of grueling district play.

Even Charlie Peanut Brown gets into the action during the basketball pep rally.

"We'll show you who is number one," shout some sophomores.

Students Exhibit Talents at Highlights

The first annual Heights Highlights added new dimensions to the typical talent show. Sponsored by the YJ Staff and Spirit of the Hill, the show was not only a series of acts, but more of an overall "production". Included were singing, dancing, comedy, and magic acts. Heights' most handsome boy and beautiful girl were also selected during the show. MC duties were handled by Dede Pearce and Tom Truelson.

Julia Cross laments over "What I Did for Love."

Carolyn Copeland sings "Everything" from "A Star Is Born."

Darrell Bell performs "It Was Almost Like a Song"

Randy Hill harmonizes with his guitar singing the "Wedding Song".

Tracy Wilson adds a Baby James flair to the show.

David Copeland sings his original, "Summer Days and Long Nights".

In an intimate moment, Michelle Tedder sings "Evergreen".

The 1979 candidates for Most Handsome appear before the judges on the Tuesday night performance.

Lunch Cures Munchies for Heightsters

In an effort to avoid the monotony of school time lunches, some students sought refuge in the multitude of off-campus eateries. Some students were so engulfed in the idea that they involved themselves in amazing feats such as stuffing twelve people in one car. For many years students have taken part in this ritual, and this never-ending battle for life sustenance has surely added character to life on the Hill.

Several sophomores decide that dieting is the best way to spend lunchtime.

Heightsters Enter Whiz Quiz Competition

In a supreme test of brain power four Heightsters participated in the area Whiz Quiz, soundly defeating a sharp Southwest team 200-125. Sponsored by NHS, Whiz Quiz, a game-show-like contest involving questions covering a multitude of subjects, was held at Dallas Christian College, January 23. Representing Heights were Steve Balaguer, Pat Price, Suzanne Shrell, and Christie Ward.

On January 16, the Student Council sponsored an ice skating party highlighted by an explosive and bruising broomball game at halftime. Participating in the game were the mighty Yellow Jacket Staff and the Jacket Journal Staff. The Annual Staff demoralized the paper staff by a score of 2-1. Scoring for the YJ Aardvarks were Cruiser Carriker, assisted by Hustlin' Haratsis, and Fireball Truelson, assisted by the JJ Donkeys. Sparking the Aardvarks' victory was a hard-hitting offense that included Kicker Henson, Go Get'em Gillis, Bruiser Milligan, and Scootin' Stone. The YJ defense included Boom Boom Bell, Baby Irene Chura, Grizzly Greig, and Broomstick LaSalle. Coaching for the Annual Staff was Red Reser.

Finding out students' addresses and telephone numbers occupied much of the Handbook Committees' time. They worked hard alphabetizing and correcting names and other student information to come up with a good student directory.

Campus Kept Cleaner by Police Committee

Keeping the school ground free of litter was the main purpose of the Police Committee. Led by chairman Leslie Butler, they took down posters, cleaned up after dances, and cleaned out the trophy cases.

Announcing every morning during homeroom was the duty of the Announcements Committee. They kept the student body informed on all the activities occurring each day at Heights.

Chairman Jimmy Milligan was aided by Mrs. Rosemary Burton who gathered announcements for each day and made certain that they were announced.

Special Project Committee Spreads Cheer and Laughter

Decking the halls again this year were the Special Projects Committee Christmas Elves. They jingled through the school on December 15th, bringing candy grams and Christmas messages to students. This year's head-Elf and committee chairman was Amy Jones. On February 14th, Valentines Day, the Committee invaded Heights' campus again as arrow-shooting cupids.

ICT Helps Prepare Students for Future

Industrial Cooperative Training helped many students learn about job opportunities both in the classroom and on the job. William Kamenitsa, sponsor, assisted students in finding jobs and periodically ascertaining the progress of students at work. Students were employed in various fields including printing, maintenance, cabinet making, auto mechanics and pipe organ building. Club president John Tenery and vice-president Alan Bantau provided direction throughout the year.

Attending pep rallies, athletic contests, and many other events, Spirit of the Hillers remained an integral part of the Arlington Heights powerhouse. This year's co-presidents were Al Winder and Carole Raulston. Sponsors were Ramon Vega, and Mrs. Jean Dobbs.

During cold weather at many football games, spirit was kept at a high level by the Golden Gals. Many hours of practice were involved in preparing their routines for drill team competitions, football games, basketball games, parades, and assemblies.

In January the Golden Gals attended an all-day clinic at Haltom High School learning new routines before marching in the Fort Worth Fat Stock Show and Exposition Parade.

Spring was tryout time for the next year's squad. New officers were also elected at this time.

Jacket Journal Reports News Of Happenings on the Hill

Once again the Jacket Journal staff enlightened students and faculty members with their literary talents by publishing a biweekly newspaper. Advanced journalism students worked diligently reporting school news, human interest, and sports stories.

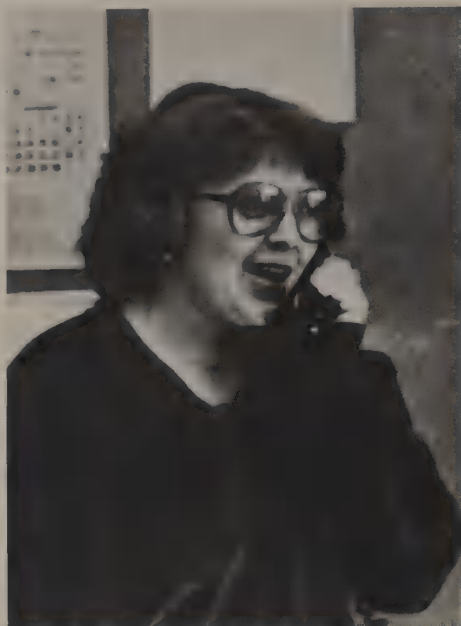

Newspaper staff members were familiarized in all phases of the newspaper industry from soliciting ads to taking interviews. A notebook with features, artwork, editorials, advertisements, and extra credit work done was required to be kept by all members.

Much of the seniors' time was occupied by a required in-depth report in addition to regular duties.

Co-editors this year were Barbie Brynterson and Denise Clifton, who worked cooperatively with advisor, Mrs. Gene Thompson.

FTA Attends State Rally at TCCC

Attending a workshop at Trimble Tech in October helped the FTA members organize fund-raising projects for the year. The club also thought of ideas for field trips. They visited an FTA State convention at Tarrant County Convention Center in February where officers were elected for next year and they were informed of things going on with other FTA clubs.

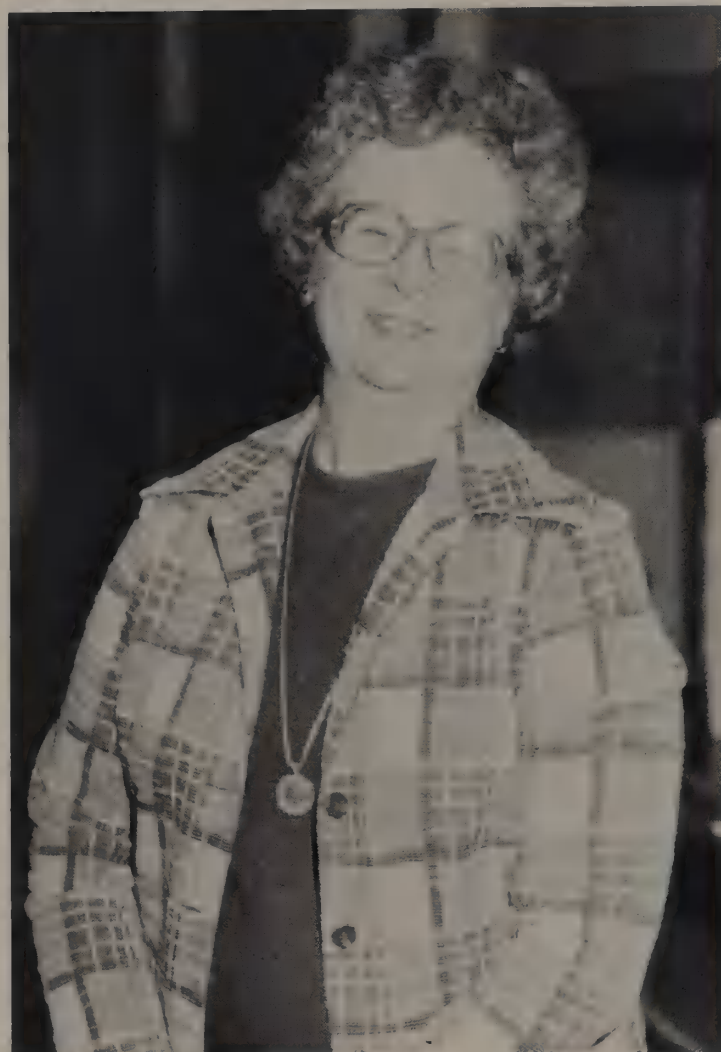

Putting into practice what they learned at workshop, FTA held a bake sale and sold candles for this year's projects.

Heights Victorious in Early Season Games

Heights started its season off by destroying the Arlington Colts 16-7. The potent Colt offense managed to gain over 300 yards, but the Jacket defense stopped the Colts from scoring more than once. Playing well, the Jacket offense was led by Kelvin Smith who threw two touchdown passes to Turner Gill and Clyde Kennedy.

Facing Haltom and its single Wing-T offense, the Jackets prevailed in the last pre-season game. The Wing-T offense of Haltom was a strong offensive weapon but was halted by a stiff Jacket defense. The offense was headed by Kelvin Smith who ran for 2 of the 4 touchdowns and connected with passes for the other 2. The defense held the Wing-T offense to 19 points and recovered a blocked kick in the end zone for a touchdown. The final score was 28-19.

Heights kicked off its first district game by defeating the O. D. Wyatt Chapparals. The Yellowjackets had a hard time keeping points as they had 5 touchdowns called back because of penalties. Finally, the Yellowjackets managed to get their offensive game working as they finished off O. D. Wyatt 21-0. The defensive unit was superb shutting out the Chaps.

The Yellow Jackets downed the Tech Bulldogs 35-0 in a one sided game. The attack was led by junior Darrel Mitchell as he bolted for 103 yards and 3 of the 7 touchdowns. Kelvin Smith was also outstanding with 3 passes totaling 118 yards. The Jacket defense was strong as they held the Bulldogs scoreless.

Proven Jackets Dominate Mid-Season Play

A fired-up Cougar team met the Jackets in a District 4A-7 showdown. Both teams were undefeated in district competition but the Jackets succeeded in spoiling the Cougar Homecoming 8-6. Turner Gill was outstanding as he hauled in a 30-yard touchdown pass and, after a fake kick, connected with Curtis Ferguson for the two point conversion. Western Hills also scored a touchdown but had an attempt at two points spoiled by Steve Mooney.

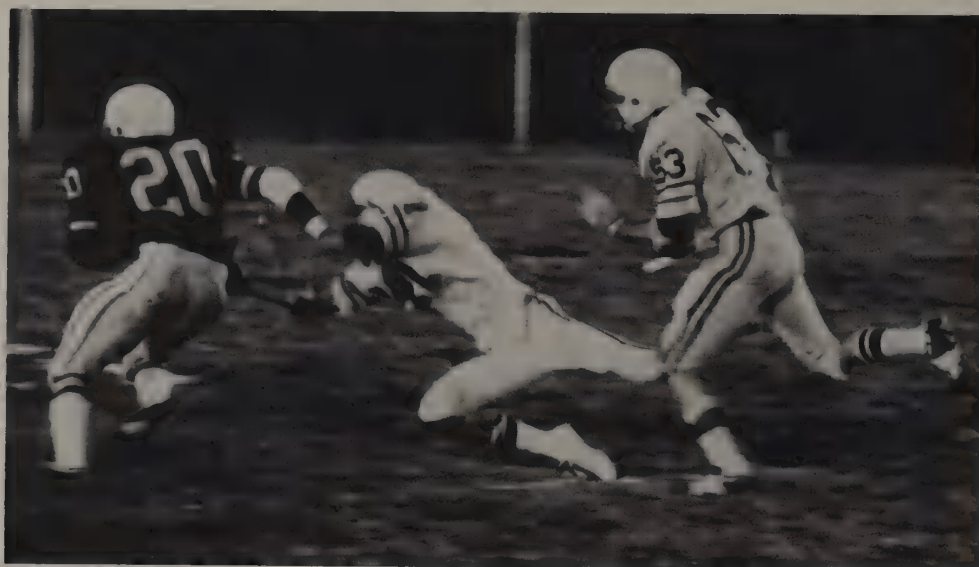

Poly was the next obstacle in the Jackets' path. The Jackets were surprised at halftime as they trailed 12-10. The second half was different though as Arlington Heights cruised to a 42-18 victory.

The mighty Jacket machine was rolling as it pounded the Dunbar Wildcats in an excellent defensive and offensive display. The offense rolled up 40 points while the defense held their opponents scoreless.

The Jackets' next foe was the archrival Paschal Panthers. The Panthers were ineffective as the league-leading Jackets bulldozed the Panthers 26-6 to the delight of the Homecoming fans. Quarterback Kelvin Smith and running-back Curtis Ferguson led the way as each scored two touchdowns. Middle linebacker Joe Gaddy and L. C. Anderson directed the stingy Yellow Jacket defense as the Paschal offense was held to 140 total yards. Another standout on the Jacket offense was Clyde Kennedy with five receptions for a total of seventy yards. Heights remained undefeated at 8-0.

Jackets Capture District, Eye Playoffs

As the season wound down, the Jackets' desire for a district championship was evident as both the offense and defense were outstanding.

The Rebels of Southwest were the next opponents of the Jackets. Arlington Heights drew first blood as they took the opening kickoff and mounted a 68 yard drive in just 9 plays. Curtis Ferguson capped the drive with a 26 yard jaunt to paydirt. Steve Mooney and Larry Cooper spurred an outstanding defensive effort by the Jackets who did not allow a Rebel tally. Kelvin Smith scored on a one yard run late in the fourth quarter and Ferguson finished the scoring with a conversion run as the game ended 14-0.

The last game of the season matched Heights with the Eastern Hills Highlanders. The game decided the district champion as both teams were undefeated in district. With a 14 yard touchdown run by quarterback Kelvin Smith and a touchdown pass from Smith to Matt Kent, the Jackets led at halftime 12-7. Aided by an interference call in the fourth quarter, the Jackets were able to score and the conversion by Gary Williams was good making the score 19-7. Jackets Stifle Lamar in Bi-District Game

*I'm thinking
About you*

Heights destroyed Arlington Lamar 35-0 for the Bi-District title, something which Heights hasn't been able to do in their past two years of playoffs.

Heights started early by scoring a first quarter touchdown and to take the lead 7-0. The Jacket defense played brutally as they came up with big play after big play to set the Vikings for losses. The score remaining 7-0 until the second half when Kelvin Smith ran in for another touchdown which really destroyed Lamar. Heights scored again on a touchdown set up by a Leslie Butler interception. The defense played an outstanding second half again as they wouldn't allow their opponents inside the 47 yard line. The defense was led by Kevin Batie and Joe Gaddy.

All season long when the Jackets were in a close game they would cause their opponent to make the critical mistake, but the tables turned on Arlington Heights as they lost to Odessa Permian 38-12 in the regional Playoffs.

The game was a stand-off until the Jackets began to make crucial mistakes which amounted to a 17-0 halftime lead for Permian. The Jackets came back in the second half as they narrowed the lead to 17-12. Permian then scored again which really seemed to hurt the Jackets, as they were not able to score again because of critical mistakes. The Jackets tried to rally but were stopped cold by the tough Permian Defense. The Jackets finished their season 11-1.

Young Varsity Anticipates Future Success

Playing throughout the Fort Worth area in the Cowtown, Birdville, and West Side Lions tournaments, a young Jacket Varsity prepared itself for tough district play. The team, mostly composed of juniors, showed its ability to compete with the best of squads.

High-point man Clarence Roundtree paced the team and Tom Truelson consistently scored to aid the Jacket cause. Defensively, Ray Kennedy, Chuck Taylor, and Scott Moore were the main stumbling blocks to the Jack-ets' foes.

Heights Highlights Beam on Two Most Friendly

Laurie Maxwell and Leslie Butler

Bright smiles and kindness came quickly to the minds of the Jackets as they elected the two most friendly Heightsters, Seniors Laurie Maxwell and Leslie Butler.

Cheering the sportsmen on to victory has taken much of Laurie's time the past three years, but she has also been active in Spirit of the Hill, Student Council, and the Spanish Club. Laurie has engaged in various track and

field meets. In her sophomore year she was a Favorite finalist. In her senior year, Laurie was class secretary and was presented at half-time at Farrington Field (during the game with Paschal) as the 1979 AHHS Homecoming Queen.

This year was the second year in a row for the title of most friendly to be awarded to Leslie Butler. A three year letterman in football, he has also played

baseball for three years and has run track for two years. Leslie was Co-Captain of the mighty Jacket football team in his senior year, the year that saw Heights grab the Bi-District Championship. This team was undefeated in District plays. On campus, Leslie was active in Student Council and served on the Executive Board and its Police Committee.

Lamp of Knowledge Shared by Scholarly Pair

Steve Mooney and Carole Raulston

Senior National Honor Society members Carole Raulston and Steve Mooney were chosen by the student body as the most scholarly Heightsters. Exemplifying the Greek philosophy of a sound mind in a sound body, the studious two were dedicated to learning and to athletic pursuits.

Steve Mooney took an active role in the various committees and projects of the

A.H.H.S. Student Council. The honor of President of the Senior Class was bestowed on Steve by his fellow classmates. His leadership and knowledge were seen not only in the classroom but also on the gridiron and diamond.

Although Carole Raulston was a JV Cheerleader, she was a valuable player in both the tennis and soccer teams. She was a member of the Student

Council, being chosen its Sweetheart during her senior year. Carole was also named Student Council Secretary for the 1978-1979 year. The members of the Spanish Club chose her as Vice-President of its organization. She received the Scholastic Achievement Award in Math. In her senior year, Carole was Co-President of the Spirit of the Hill.

Sportsmanship Spotlights Outstanding Athletic Duo

For the third straight year the honor of Most Athletic Girl has been bestowed on Senior Dee Carriker. Dee's love of sports and dedication to challenge and team effort have made her a fine sportswoman. During her days at Heights Dee has been an active participant in track and field and soccer. In track events, Dee has proved her abilities in the eight-eighty yard run and the one mile relay. Dee has been an asset to the Girls' track team in the field events of the triple jump and the high jump. Dee's soccer playing has helped lead the Heights girls to a fourth year of city victories. Dee plans to attend Baylor and major in Pre-med with special training and emphasis in the field of athletic medicine.

One of Heights' most valuable gridders, senior Curtis Ferguson has been honored as this year's most athletic boy. Curtis has played football for the Hill for four years. As a Junior, he was named All-District Running Back, an honor achieved again in his senior year. As a Senior, he was also named All Tarrant County Running Back. During his junior and senior football seasons, he gained more than 2,000 yards rushing. Curtis has also played baseball all four years on the Hill. Curtis' hobbies are also sports oriented — tennis, water-skiing, and snow-skiing.

School Board Members Elected at Large

Providing the students in the Ft. Worth Independent School District with a quality education was the primary objective of superintendent Gerald Ward and the members of the board of education. For the first time this year, the president of the board, H. Richard O'Neal, and the vice-president, Mrs. Mollie Lasater, were elected at large. Members from single-member districts were also elected for the first time. One of the board's major accomplishments was the continued success of Project SHARE — School and Home Accepting Responsibility for Education, which has received national recognition.

From a tapestry woven
of entwining moments and hours
we recall the most elusive
of illusions —
memories of another year.

Kathy,

I'm so glad you made cheerleader. It will be so much fun cheering with you next year. Maybe we can become a lot closer next year. I really wish you could go to camp, but I rather wait to go to that art camp also. Hope you have a blast this summer.

Love ya always

Karen Raulston

Kathy,

Let's have been friends since the eighth grade and I've loved every minute of it. There is no one on this earth that is as sweet and cute and just plain gorgeous. It seems that when we got to Heights everyone changed. Everyone found new friends. But not you, you didn't change. You kept the friends you'd always had. I regret that we very seldom get together. But the summer and next year I hope to see and spend a lot of time together.

Love,
Tracey

Kathy, 5-17-79

Ever since I came to Monroig you were my friend in French. We're still friends now. Let's stay that way.

Love ya lots,

Jennifer

P.S. We're gonna have fun next year too!

Kathy,

I've known you a long
time now and I think
you're a super neat person
I want you to know I
think you're super special
your Boy Friend is one
of the best people I've
ever met. as for you
you've got many out-
standing qualities you're
beautiful, nice, pretty
and a great person
take care of Joe
he's one of a kind.
Have faith in Christ.

Love You

RESERVED!

Well, here we are it's been almost 2 yrs. - $1\frac{1}{2}$ to be more exact.

I really don't know why I'm writing in this, I hope you know how I feel about you - if not I must be a pretty sorry boy friend. I feel like you put something in me that I would never have missed, but Kathy now that I have that I would not give it up for the world and anything on it - except you. We have been very close and not very close - but when we really reached down we found we were always close in the first place. Boy, that's a great feeling to know someone loves you more than anything. I think God has taught us alot together in our relationship and individually within our relationship. I hope you write something nice, 'cause I didn't get to know how you felt about me in our first year. Anyway, I know well always be O.K. and that is worth a whole lot just in itself. I'm really proud of you for being what you are and excelling in everything you do. I sometimes wish I had that drive, then it goes away. ^{H.H.}_{H.H.} You better do your very best at Interlocken this summer so when you get back, we can say it was "worth" it to be apart for so long. I will miss you more than I could ever say. I love you Miss Baldwin even more than anyone could describe. I hope to be part of your heart always. You will be of mine and thought about forever. Remember if I ever play college or pro. ball I'm going to say "Hi, P.B.B." and you better be watching. I'd hope you remember that for as long as we were together you made some young man named Joe Gaddy, THE HAPPIEST PERSON IN THE WHOLE WORLD AND WHO EVER LIVED. I will love you forever and
~~~~~  
gladly)

Kathy,

What can I say, but that you're one of the people I'm going to miss the most. You truly are a champ in track. We have some memories in track, huh? Especially Cooaach Jeennkins..... Also, we would always have a big mix up on who's going to run what. What memories! Can't forget the good ol' 440 relay, 880 relay, and the 100 yd. dash (yuh!). Also, district when you and me went to the trainer every day. That was crazy. My best memories at Heights was with you and I'm truly going to miss you. I'm so glad you made cheerleader AGAIN - you'll be great on field + pep rallies. Have a great summer at that camp I'll be thinking about you. The minute I saw you when you were a freshman I always thought you looked like a cover girl and a model you are a very natural good-looking girl. I bet Joe thinks so too. I feel like I'm saying my last good-bye to you, but I'm coming back to visit and watch you smear everyone in the huddles. You almost did this year and you're just a sophomore. Gosh! I really wish you all the luck in the world with whoever + with whatever in life.

I love you dearly,

☺ SMILE

Joe

Kathy,

Two year has really been great. I'm glad we met each other  
last summer & became such good friends in such a  
short time. I had more fun going out with you & Joe &  
Richard. You know you never forget your first love.  
Remember the last time I was there, Richard was  
not even visiting. It was slang all the way. Oh, I  
can't believe it! You are one of the greatest people I've  
ever met. We really get along well & have first  
known each other for a year. Remember: football  
games, Burger King, trying to get into the disco  
watching T.V. & playing pinball, and all the  
rest of our talks. "Kathy Staddy" that sounds  
pretty good to me. You two are really special  
people. I don't wish of you. Good luck at  
Unilever, I know you'll do well. You better  
write me from Mexico. Because I'm  
gonna write from Africa. If you ever  
need to talk call me & I share your  
love when I need you. Share a  
great summer.

Love ya,  
Sharon?

KATHY,  
Following the girls  
Track Team gave me a whole  
list of new friends. And I really  
God to know this year, standing behind  
your starting blocks, trying to keep you calm  
down before you, I remember the (your) special edition  
year to watch you win District. I really will be around next  
year.

Today,

The day I met you was in morning  
but not with friends I used to  
be with. I was but talking to  
you. I was with you and  
they were all in the  
place. We had a wild party  
and I was very happy.

Extensive but I was not  
worrying, good-looking and  
attractive and sometimes with  
the people like the  
people like the large white  
and the people are now

was meeting, making all new
